During the past week or two, perhaps fifty men most of whom are not affected at all by

this state of things, have directed the attention of the writer to this matter, and said it was ioners was held yesterday to consider a the duty of the press to direct attention men vesterday, the same question was urged

west end of Douglas avenue to the east end upon the writer, and they figured the thing of the iron bridge." County attorney Dale, for him as it stands below. Among then et forth the fact that action could not be was a prominent hotel man, who said that he taken upon such matters except at regular had to pay \$3 per one hundred pounds for neetings of the board and the meeting ad- the best flour and that all his best meats avjourned to convene in regular session on eraged him 12] cents per pound. He said Monday the fifth (5th) day of January, 1885. that it did not affect him in the least, because his guests had to pay the bills. According to our market report, wheat in

this market ranges from 25 to 48 cents; we will call the average 40 cents. Flour range from \$2 to \$3 per cwt., the average being \$2.50, or \$5 per barrel. It is gennerally estimated that five bushels of wheat will make barrel of flour. Five bushels of wheat at 40 cents equals \$2.00. therefore the profit on a barrel of flour excapital invested, is \$3. The bran at 50 Gold chains and pendants, an excellent varients and shorts at 60 will surely pay for ety at extremely low prices at Wm. Kassel's grinding. From the foregoing statement at the present price of wheat, could be sold 1 82 per 100 and yield a larger profit than any other business we know of. In Cincimmati, where No. 2 winter wheat sells for 75 cents a bushel, winter family flour sells at

At present, beef cattle in this market brings 8 cents per pound on foot. Now it is estimated that a good fat steer will dress two-thirds of his live weight. Take a steer whose gross weight is 1,500 pounds, at the above rate he would dress 1,200well, we will cut it down to 1,000. The price of beef here will average 10 cents all round. Now, a steer 1,500 pounds gross at in prices at Wm. Kassel's. price of beef here will average 10 cents all cents amounts to \$45 and, according to the figuring the meat will bring \$100 which any one must admit is an enormous profit. In he east butchers say if the meat pays for One of the attorneys for the city charged the entire animal, thus leaving them the hide to be on time. There will be no long waits the Exotic reporter yesterday with having and tallow clear, they are satisfied. The best expressed an opinion unwarranted by the cuts of beef could be sold at 10 cents per pound and a very profitable business be

Rents, too, are unreasonably high in this

reporter has no interest in the matter and that in the present state of things the poor was ignorant of the fact, if fact it is, that he must suffer. In the east where wheat and had expressed any opinion at all as to the cattle are much higher than here, flour and merits or demerits of the case, or the justice | meat and board and rent are incomparably
